

## IRIS SCONCE

The iris scone uses mottled clear thick glass and a cast bronze heat sink to create a fixture that is a combination of ancient crafts and forward thinking. ADA compliant. These LED fixtures with driver included can be mounted to the wall or ceiling. Hand blown and shaped in lead free crystal. No molds are used, and each glass shape is unique. Designed and made by Siemon & Salazar in California. Signed.

Specifications:

- LED scone with driver
- Antique bronze finish
